

## Notice of new road layout, Greatworth temporary road

February 2024 | [www.hs2.org.uk](http://www.hs2.org.uk)

High Speed Two (HS2) is the new high speed railway for Britain. The health and safety of our workforce and the communities we work within is our priority. You can sign up for regular updates in your local area at [www.hs2innorthants.co.uk](http://www.hs2innorthants.co.uk).

### What are we doing?

The construction work on the Greatworth temporary road, known as the Greatworth T, is now complete and the road is open to traffic.

The road will have a 40mph speed limit and connects Magpie Junction, on Sulgrave Road with the B4525 Welsh Lane at Greatworth. The south section of Sulgrave Road will remain closed until the Greatworth green tunnel is completed. Sulgrave Road and the surrounding fields and hedges will then be re-instated over the tunnel as part of the HS2 design.

We regret that completion of this work has taken much longer than we first anticipated, and we understand that this has caused inconvenience to local residents.

A second phase of the Greatworth T will be opened once the first section of the tunnel is complete and the earth is re-instated above. This will provide an additional link road, maintaining connectivity along the B4525 while the remaining sections of the tunnel are completed. We will keep you updated as this work progresses.

The Greatworth temporary road opened on 29 February 2024 and will be in operation for approximately 3 years, until the construction of the Greatworth green tunnel is completed and permanent highways are re-instated.
